#### *The Belgians have retaliated*

Whether the official BMW Motorrad World Endurance team led by Werner Daemen or the KM99 team managed by Mario Kupper, the Belgian forces intend to take advantage of this 8-hour edition of Spa Motos to shine on their land. Despite facing the titleholder FCC TSR Honda and their runner-up team SERT Suzuki Yoshimura.

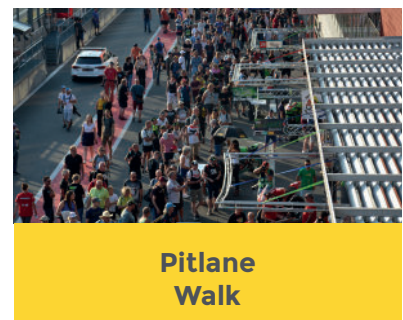

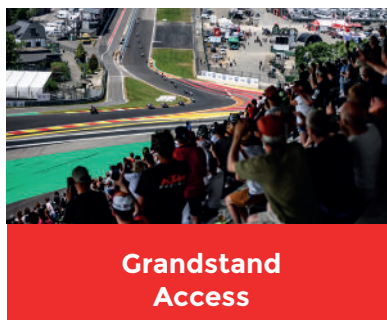

#### *The Endurance World Championship has introduced changes to the Belgian manche format.*

After two years of a 24-hour format, the race evolves and becomes the 8 hours of Spa Motos. Warner Bros. Discovery Sports, PHA Claude Michy (promoter of the Belgian manche), and the Spa-Francorchamps circuit made this choice in concordance.
